Mailing Instructions

Please use the following label and form when submitting your supplemental application materials. Using these will help ensure accurate and timely processing of your documents.

We ask that you submit your materials in a standard-size mailing envelope and include the Cover Sheet provided as the top sheet of any packet you mail to us. Please do not fold documents and staple the pages together.

Note: Please <u>do not</u> send paper copies of application materials submitted through the online application – letters of recommendation or the statement of purpose. **In addition, we advise you to submit the online application <u>before</u> sending any supporting documentation**. Your admissions documents can then be matched to an existing record in our system. This, again, assures the timely assembly of your admissions file.
